

외국인 환경공학자 학술제

2026 FERF

3rd Foreign Environmental Researcher's Fair

Date July 8, 2026

Venue Korea University
(Inchon Memorial Hall)

Welcome to the 3rd Foreign Environmental Researcher's Fair (FERF) which will be held in Korea University. In this event, two invited speakers will share the academic experiences in their careers. And seniors who finished their academic works will also introduce their lives before and after the academic experiences. Finally, there will be a chance to share the academic progresses of the participants as the poster presentation. We hope this FERF will be an enjoyable fair for the foreign students and environmental engineers. Thank you.

All Presidents, KSWE, KSWW, KSEE

Sungpyo Kim | President, Korean Society on Water Environment

Dooil Kim | President, Korean Society of Water and Wastewater

Sungkyu Maeng | President, Korean Society of Environmental Engineers

FERF Co-organizing Committee
