### Registration Notice

-If you do not receive the confirmation email within a few minutes of signing up, please check your SPAM folder just in case the confirmation email got delivered there instead of your inbox.

\*If so, select the confirmation message and mark it NOT SPAM, which should allow future messages to get through.

\*If you still cannot find your confirmation email, please contact our secretariat immediately

-The registration fee includes the following items:

Includings	Attendance of all forum sessions (opening, plenary session, special symposiums, graduate student presentation and meeting editors & networking session)
	Morning & Afternoon Coffee breaks (3 days)
	Lunches (3 days)
	Conference Dinner (only second day)
	VIP banquet (only for eligible participants)
	Student Night (only for eligible participants)

## Cancellation & Refund Policy

-If you would like to request a refund, please contact our secretariat at [apbc2026.secretariat@gmail.com](mailto:apbc2026.secretariat@gmail.com)

50% refund	No refunds
1st May 2026 ~ 31st May 2026	After 1st June 2026

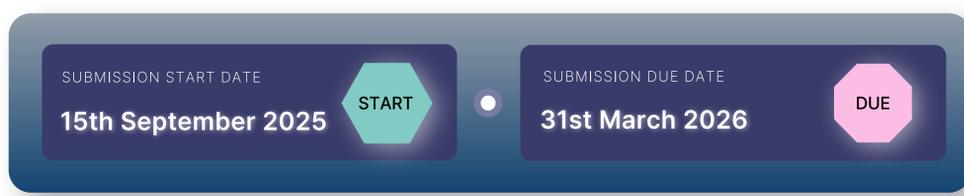

\*If you are registered but unable to attend, you may transfer your registration to someone else. However, please email proof of the transfer to [apbc2026.secretariat@gmail.com](mailto:apbc2026.secretariat@gmail.com).

\*For the payer only: If you are unable to attend the event, a summary of the conference will be provided afterward. Please take note.

## Submission Guideline

## Submission Schedule

- Abstract submission is only available online.
- Please submit your abstract by due date.
- Prompt submission of your abstract is encouraged as soon as possible.

## Poster Presentation

- Poster Size: A0 (841 mm × 1189 mm) in portrait orientation.
  - Material: Please use appropriate material suitable for pinning or taping poster boards.
  - Format: There is no strict format; you are free to design your poster according to your preference. Please bring your printed poster with you to the conference.
  - Fixing Materials: Tapes and pins will be provided at the venue.
- Members of the Organizing Committee will be present to assist you in setting up your poster.

## Awards

We are pleased to recognize outstanding presentations with the following awards. All submitted abstracts will automatically be considered for the awards-no separate application is required. Our Scientific Committee will evaluate the presentations and select the awardees, who will be recognized during the conference.

### Change these awards to Student Oral Presentation Awards

- Best Student Oral Presentation - 1st Place
- Best Student Oral Presentation - 2nd Place
- Best Student Oral Presentation - 3rd Place
- Student Merit Award - Oral Presentation (5 awards)

### Student Poster Presentation Awards

- Best Student Poster Presentation - 1st Place
- Best Student Poster Presentation - 2nd Place
- Best Student Poster Presentation - 3rd Place
- Student Merit Award - Poster Presentation (5 awards)

## Special Symposium Session List

- The 4th International Forum on Plastic and Sustainability
- Microplastics, PFAS, and Emerging Contaminants in the Environment
- Sustainable Catalyst
- Achieving Sustainability through Land-based Negative Emission Technologies
- Green and Sustainable Remediation
- Wild Fires: Biogeochemistry, Contamination, and Soil and Environmental Health
- Green and Sustainable Hydrogen
- Biochar for Green Waste Treatment and Resource Recovery in Anaerobic Digestion
- Climate Smart Agriculture: Biochar-based Technologies and Sustainable Fertilizer Solutions
- Biochar for Sustainability and the Circular Economy
- Efficient Conversion of Biomass and Waste to Biochar and Its Applications
- Thermochemical Biorefinery Pathways for Biochar-Based-Waste-to-Energy and Valorization Technologies
- Emerging Production Technologies and Applications of Advanced Biochar for CCU and Energy Storage/Conversion Applications
- Biochar-Driven Transformation of Environmental Pollutants
- Cropland Transition and Quality Improvement Technologies: Pollution Remediation and Ecological Function Optimization.
- Biochar Functions and Stability: From Nanoscale Mechanisms to Field Applications
- Advancing Soil Fertility and Sustainability with Biochar: Bridging Research, Industry, and Policy
